

PHYTO-P POWDER

Phyto-P harnesses the power of nature with its **Natural Plant Derived Super Polyphenolic Complex**. Developed by a world-class research institution in BC, Phyto-P boasts up to 20X the antioxidant levels found in standard red lettuce, thanks to our proprietary growing methodology. This potent blend includes highly concentrated antioxidants, each offering unique benefits. Phyto-P is naturally derived from food-grade plants. This powerful antioxidant blend supports healthy aging, enhances performance, and effectively reduces free radicals. Experience the natural, synergistic benefits of Phyto-P in its convenient powdered form.

PHYTO-P

Peqish Group, Food & Hospitality Inc. Supplement Disclaimer Form

I. Introduction

By using Phyto-P, you acknowledge and agree to the terms and conditions of this disclaimer. Peqish Group, Food & Hospitality Inc. ("Peqish") provides this supplement with the understanding that it is not intended to diagnose, treat, cure, or prevent any disease or condition. This document outlines important information regarding the use of our supplement.

II. General Disclaimer

- 1. Not Medical Advice:** Phyto-P is a natural health supplement. It is not a replacement for professional medical advice, diagnosis, or treatment. You should always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition.
- 2. Individual Results:** The effects of Phyto-P™ may vary from person to person. Peqish makes no guarantees or claims regarding the specific benefits or results that individuals may experience.
- 3. No FDA Approval:** Phyto-P has not been evaluated by the U.S. Food and Drug Administration (FDA). It is not intended to diagnose, treat, cure, or prevent any disease.

III. Use of Phyto-P

- 1. Consult a Healthcare Professional:** Before using Phyto-P, it is advisable to consult with a qualified healthcare professional to discuss its suitability for your specific needs, especially if you have any underlying health conditions or are taking medications.
- 2. Dosage:** Follow the recommended dosage instructions provided on the product label or as advised by a healthcare professional. Do not exceed the recommended dosage.
- 3. Allergies and Sensitivities:** If you have known allergies or sensitivities to any of the ingredients in Phyto-P, do not use it.

IV. Liability and Indemnity

- 1. No Liability:** Peqish and its affiliates, directors, officers, employees, and agents shall not be held liable for any direct or indirect, incidental, special, consequential, or punitive damages, or for any loss, injury, harm, or adverse reactions resulting from the use of Phyto-P™. This includes, but is not limited to, claims for personal injury, medical expenses, loss of income, or any other harm.
- 2. Assumption of Risk:** By using Phyto-P™, you acknowledge that all supplements carry inherent risks and that the effects and outcomes may vary among individuals. You accept and assume all risks associated with using Phyto-P™, and you understand that the results may not be as expected or may differ from those experienced by others.
- 3. Indemnification:** You agree to indemnify and hold Peqish and its affiliates, directors, officers, employees, and agents harmless from any and all claims, actions, demands, liabilities, losses, expenses, and damages (including attorney's fees and costs) arising out of or in connection with your use of Phyto-P™. This indemnification includes, but is not limited to, claims made by third parties, other users of the product, or governmental entities.
- 4. Product Quality:** While Peqish maintains strict quality control standards, we do not guarantee the purity, potency, safety, or efficacy of Phyto-P™. We are not responsible for any manufacturing defects or issues related to the supplement's quality. Any concerns about product quality or safety should be reported to us promptly.
- 5. Third-Party Claims:** Peqish is not responsible for any claims, representations, or warranties made by third parties regarding the supplement. Any endorsements or testimonials provided by individuals or organizations do not necessarily reflect the views of Peqish, and we are not liable for the accuracy or truthfulness of such statements.
- 6. Legal Compliance:** It is your responsibility to ensure that your use of Phyto-P™ complies with all applicable local, state, provincial, and federal laws and regulations. Peqish does not guarantee or warrant that Phyto-P™ is in compliance with the laws of your jurisdiction.

V. Acceptance of Terms

By using Phyto-P™, you acknowledge that you have read and understood this disclaimer and agree to its terms.

VI. Contact Information

If you have any questions or concerns about this disclaimer or Phyto-P™, please contact us at info@peqish.com.
